

TENNESSEE THERAPY & BALANCE CENTER, LLC

Your health is our priority at Tennessee Therapy & Balance Center, LLC. Due to the novel Coronavirus, we are implementing precautions for our staff and patients.

We are screening all patient's before their appointments. Symptoms of Coronavirus are fever or respiratory infection symptoms, such as cough and sore throat. We ask all patients who have any of these symptoms to please stay home and contact your primary care physician. If you have done any international traveling within the last fourteen days or have had contact with someone known or suspected of COVID-19, please stay home and discuss appropriate actions with your primary care physicians.

To prevent spread of Coronavirus, we ask that upon arrival you remain in your vehicle until your appointment time, and if able please call us at 931-528-8822 and we will inform you when you may enter the facility. We also ask all visitors to remain in their vehicles.

To keep you safe, we are:

- Wiping down all touched surfaces
- Changing out linens after each patient
- Providing hand sanitizer located at the entrance and throughout clinic
- Providing one-on-one care
- Wearing masks

You can do your part by:

- Staying home if you feel ill
- Wearing a mask
- Washing your hands for 20 seconds or using 60% hand sanitizer
- Covering your nose or mouth if you sneeze or cough

We are limiting patients and suggesting that patients who are able to utilize Telehealth services to please do so. We are advising any high-risk patients or non urgent cases to limit visits or postpone physical therapy until safe.

We are closely monitoring updates from the CDC and government. We will continuing to provide updates on further actions.
